

Enoch, The Watchers, and the Great Flood

Noah a patriarch of three separate religions (Christianity, Judaism, and Islam) is a story known well by many. Now prepare to be blown away in this epic story that mixes scripture, apocryphal books, and science fiction together to make an epic journey from Noahs great-great grandfather Enoch all the way to the end of the great flood. It starts when Noah is visited by the angel Uriel who gives Noah plans to build a craft to withstand a deluge. Uriel not only gives Noah these plans, but (in secret) he gives Noah a lost book written by his forefather Enoch. As Noah reads the book in secret he is shown how it all came about right down to the pending destruction. Evil angels, giants, and monsters filled Noahs world and now he was the only thing that stood between Gods wrath and humanities destruction. Noah embarks on an odyssey that includes a magical sapphire (the Tzohar), sacred scrolls, telepathic power, and hidden forbidden knowledge. On the way Noah is given sacred information that no other man except Enoch has ever seen. He learns how our dimension was created, and rise and fall of Lucifer, the legend of Lilith, and the sin and casting out of Adam and Eve from Eden. Learn about the once great Satanic Empire of Rahab that existed before Lucifers fall. Trek through the ten heavens with Enoch as he is shown the mystical worlds that make up the heavenly realm. Meet the archangels who carry out Gods commands. Live the epic angelic battle that takes place around the ark as the great flood bursts forth. Watch as Noah gets a firsthand look at the throne room of the almighty God. This is a story for the ages taken directly from the Bible, the Book of Enoch, the Dead Sea Scrolls, Jewish folklore, and the ancient writings of the Sumerians of Mesopotamia including the epic of Gilgamesh. Portions of the story are extracted directly out of the Bible and the Book of Enoch. Other portions come from Jewish folklore, the Dead Sea

Scrolls (Scroll of the Giants, Scroll of Jubilees, and Isaiah). This Biblical Science Fiction story is suitable for all ages but is best for those over the age of 9. To contact the author e-mail enochandthewatchers@elvisfromonefantoonother.com
