

## What is He?

What is He? is the second book in the Puppy Factory series about just-the-right dogs that are sent to just-the-right families at just-the-right time. Puppy fairies are always listening for a child's wish for a puppy and puppy elves are working hard to make just-the-right puppy for the child. Chuckle with the little puppy elves as they brainstorm over puppy part shortages in the process of making the puppy. Share the wonder and excitement of the puppy elves when the puppy is completely assembled and then brought to life by the puppy fairy. And know the joy of the child and the family who now have the love of a puppy made just for them at The Puppy Factory.

The Puppy Factory is a magical place for children and the fun continues with What is He? which chronicles another series of hilarious events that take place while a puppy is being assembled at The Puppy Factory. After reading What is He? one can't help but wonder if it is a miracle when you find the right puppy at the right time or is it the handiwork of the puppy fairies and the puppy elves working in harmony at The Puppy Factory to create and deliver just-the-right puppy for your family?
