

The Guardians: Inheritance (Volume 1)

Sasquatches were real. Seattle SWAT sharpshooter Nico Means learned that when he encountered one on Mt. Rainier when he was a child. Knowing didn't prepare him for finding more in downtown Seattle while investigating his father's death. Nico's family has a secret his three older siblings hadn't shared. Sasquatches aren't the only creatures of myth that exist. Their father was a Guardian, an intergalactic police officer sent to Earth to help keep the creatures of myth at bay. This battle has been going on for thousands of years in the shadows and Nico's family is now in the thick of it. Nico is forced to join the battle when the Sasquatches attack his SWAT team to get to him to save their lives. Now they know truth, too. When the Sasquatches kidnap his girlfriend, Nico, his siblings and his SWAT team join forces in a battle against the Sasquatches that could decide the fate of Seattle.
