

Healing Moments: Adult Coloring Book (Shades of Tranquility) (Volume 1)

Escape from your everyday distractions into a world of enchanted hand drawn pen illustrations that will put you in a tranquil meditative state as they call to you to add color and your personality to the pages to bring them to life. The images vary from simplistic to highly detailed and it is up to you to decide how intricate you want them to be. Just follow your instincts and the rest will follow. You don't need to be artistic to enjoy this art form as there is no right or wrong.
