

## Alfreds Very Big Christmas: A Childrens Christmas Picture Book (Alfred the Christmas Tree 3)

Many years have passed and Elmer and Alfred are much older now. Alfred stands much taller now than he did those years ago when Elmer first wrapped Christmas lights around his tiny little branches. He isnt just taller; hes probably the tallest, most beautiful Christmas tree for miles! Elmer has been up to something the last few weeks, but Alfred cant figure it out. Some interesting men come to visit. While they are there, they take pictures of Alfred and write down some notes, but then they just leave. This makes Alfred very curious as to what Elmer has been up to. Finally, the men arrive back one day early in the holiday season, but this time they come with a flat bed truck and many more people. To find out what the future holds for Alfred (and Elmer), scroll up and buy Alfreds Very Big Christmas today!
